## **Introduction:**

In line with Department for Education's policies, we require parents/carers of new pupils to sign the home school agreement document. As a school, we recognise that parents/carers have most responsibility for a child. We wish to work in partnership with parents/carers to ensure that pupils reach their full potential.

This document aims to clarify the responsibilities of the school and parents/carers, ensures that positive relationships are built between the school and parents/carers and explains the responsibility of the pupils.

## **Mission Statement:**

Our distinctive church school is committed to developing lively and enquiring minds and achieving outstanding standards of education in a happy, safe and caring environment, based on Christian values, which encourage all to show respect, acceptance and understanding of others.

## **Christian Vision:**

'Let your light shine before others, that they may see your good works, and glorify your Father who is in heaven' (Matthew 5:16).

A successful partnership between the school, parents, pupils and the church helps each pupil to take full advantage of all that the school has to offer. We promote this in many ways, including the home/school agreement.

## **This policy complies with:**

School Standards and Framework Act 1998

### **Review**

This policy will be reviewed during the Summer Term 2024.
