Dear Parent/Carer,

Welcome back to the start of our summer term. We have so many exciting things planned I know that time will quickly pass and thus we all need to work hard, be organised and encourage our children to grasp every opportunity presented to them.

As the weather hopefully warms up, we shall take advantage and try and use the school's outdoor environment as an exciting learning space.

There are some energetic times ahead too. Having thoroughly enjoyed our visit to Tophill Low last term, we are thrilled to have some exciting opportunities to get out and about in the coming months. We are also aiming to celebrate our topic work with a cross-curricular activity day in school.

Our curriculum also covers the following;

English (Year 3/4):

- Dragon Post (letters and Postcards)
- Fiction: short stories
- Performance Poetry
- Weekly spellings
- Grammar and punctuation
- Handwriting

Mathematics (Year 3/4):

Homework is given out on Fridays and should be handed in by Wednesday of the following week. Please help your child complete their tasks with your continued support. IXL units may also be set to supplement learning but this site, along with Purple Mash and Twinkl Go, can be accessed at any time to progress further.

Spellings are tested every Monday – thank you for supporting your child to learn their spelling list at home every week. This really does help them.

As careful as we are to cover uniforms during art sessions, it would help us greatly to have some extra painting protection if anyone has old sleeved shirts, which could be donated to the class.

Most children have arrived with clean P.E. and games kits. Please note that sessions are now on Mondays and Tuesdays and both indoor and outdoor kits may be needed. Hair must be neatly tied back on these days but this is preferable for all times in school.

Yours sincerely

N. Trueman
